

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF NEW YORK

-----X  
JEFFREY THIGPEN,

Petitioner,

- against -

WILLIAM BROWN, Superintendent of  
Eastern Correctional Facility,

Respondent.  
-----X

GERSHON, United States District Judge:

Magistrate Judge Viktor V. Pohorelsky has recommended denial of petitioner's petition for a writ of habeas corpus challenging a state court conviction. Report and Recommendation ("R&R") dated September 26, 2008. Petitioner objects to the conclusions of the R&R, and therefore, the court has engaged in *de novo* review. Upon that review, the court finds the objections to be without merit. Judge Pohorelsky has thoroughly and properly analyzed the myriad issues raised by the petition. His R&R is hereby adopted by the court.

The petition for a writ of habeas corpus is denied. As petitioner has not made a substantial showing of the denial of a constitutional right, a certificate of appealability will not issue. 28 U.S.C. § 2253.

SO ORDERED.
